Day 2

SONMARG

Sonmarg is located in the Ganderbal district of Jammu and Kashmir, about 80 km from Srinagar. The 'Golden Meadow' is perched at 8,960 ft, and is close to several peaks such as Machoi Glacier, Sirbal Peak, and Kolahoi Peak. It also has a historical significance, as a gateway on the ancient Silk Road, connecting Jammu and Kashmir with Tibet. Ponies can be hired for a trip up to Thajiwas glacier, a major attraction during the summer months. But what we really enjoyed, was the **25 km ride to zero point through Zoji La pass**

Day 3

PAHALGAM

Betab Valley lies between the two Himalayan Ranges–Pir Panjal and Zaskar. It can be reached in ten minutes from the Pahalgam city centre. The valley is named after the Sunny Deol-Amrita Singh hit debut film Betaab.

Aru valley is located 12 km from Pahalgam and takes about 20-30 minutes to reach. As always, the ride was better than the destination with several awesome views of the Lidder River and the valley as we rode along to the top.

Chandanwari is the starting point of Amarnath.
